The Los Angeles Unified School District is committed to ensuring the health and well-being of students and staff and providing a safe, secure learning environment for all. During school closure, please leverage the following resources to continue learning from home.

### Resources for Students and Families

#### Home Internet Access

**Charter Communication / Spectrum** is offering free broadband and Wi-Fi access for 60 days to households with K-12 students who do not already have a Spectrum broadband subscription. Installation fees will be waived for new student households. To enroll, please call 844-488-8395.

**Comcast** is offering similar services to households as an expansion of its Internet Essentials program. Learn more by calling 855-846-8376.

**Verizon** has tripling the data allowances for students participating in the Verizon Innovative Learning Schools (VILS) program. No action on the part of participating students to take advantage of this benefit.

**AT&T** is temporarily lifting data caps, allowing existing customers to communicate with one another without concern for overages. Visit ATT.com to learn more.

#### Student Collaboration and Productivity Tools

**Office 365** provides online access to the same productivity tools (Microsoft Word, Excel, PowerPoint and others) employees have on their desktops, while enabling them to share with their peers and collaborate live, in real-time. To access go to Portal.Office.com and sign-on with an LAUSD single sign-on account.

**Google** offers similar collaboration tools (Google Docs, Forms, Drawing and others) and collaboration capabilities. To access, go to Google.com and log in using an LAUSD single sign-on account.
